

March 7, 2008

Dear Parents,

With two and a half months of school yet to come, summer camp seems far away, but now is the time to throw your hat in the ring for summer.

For those children three and a half to five “plus” years old, St. Stephen’s Preschool hosts a two week summer camp program. Beginning Monday, June 2 and running through Thursday, June 13, the camp for our older campers runs from nine to twelve daily, Monday through Thursday, for two weeks.

The format is similar to the format the five day children experience during the school year, with an open setting using two classrooms and the playground.

We are pleased to have Jane Fain, Cheri Peterson, Mary Lee and Rachel Kim leading camp this year.

Because the demand for this camp has traditionally been high, we will accept children based on the date of the return of the application form and the \$50 nonrefundable camp deposit. Should camp be full when your application arrives, we will put you on a wait list and return your money should no space become available. The cost of this two week session is \$185.

We are looking forward to an exciting summer camp. Do join in!

Fondly,

Marion Chenault
